

How to reach Financial University?

- 1) If you travel by Metro you need to reach Station: "Airport" (green line)

If you travel from the City Center (which is smth like Pushkinskaya -> Mayakovskaya -> Belorusskaya -> Dinamo-> **Aeroport**) than you need the first car of the train, if from the suburb than the last one. You go upstairs and turn to the left (there going to be a note hanging ФИНАНСОВЫЙ УНИВЕРСИТЕТ), then you take a small escalator and get out of the glass doors. Then you follow the note Финансовый университет, which means you turn to the left and go along the corridor until reaching the stairs outdoors. Once out of the metro you will see the main building of the University on the left diagonal to you. You need to pass it by and reach a modern building. The modern building is a little further from the metro and its entrance faces the Leningradsky prospect. Once there – you go inside and you will see security officer, he will have the list with guests and let you inside. Please, take you passport with you.

Cloak room is downstairs.

Meeting room is on the floor 9 – not all elevators are going to the floor 9, please, use only the ones on your left.
